

2NX DOUBLE HEAD NOTCHER

The Go Fast 2NX Double Head Notcher is a simple and heavy duty notching machine. Quickly notch boards, recycled material, entire cants, and even un-notched pallets with the cogged chain infeed system. This notcher comes standard with variable infeed speed that is adjustable from 0 - 44 FPM with the turn of a knob.

THE MOST VERSATILE NOTCHER AVAILABLE: Can't find a notcher to notch your material? Our chain fed notcher has almost unlimited length, width, and height capacity options. Not sure if the 2NX will work for you? Just give us a call!

SIMPLE MACHINE OPERATION: There is no need to worry about jams or broken sensors with the 2NX. Simply load the chain with your material, and let the cogs push it through heads.

TOOL-FREE LENGTH ADJUSTEMENTS: The notching heads and fences are easily moved with the crank of handle. No tools needed!
